## Goals

- To contribute to the development of teachers (facilitators) who can deliver state-of-the-art knowledge into skilled action and contribute to social capital formation.
- To provide state-of-the-art facilities to teachers and students with a view to develop holistic personalities driven by fundamental values of life-mutual respect, collegial attitude.
- To develop industry academia partnership which can help to identify ways and means of establishing and training programs, case studies, consultancy services, students projects and summer and final placements.
- To develop linkages with various stakeholders of the Konkan region and Maharashtra State which can facilitate the making of MPCOE as a hub for various education and education related activities for empowering and enriching the fraternity of the Konkan region and society at large.
- To evolve MPCOE as a centre for Student Advisory and Development services of the Konkan region.
