Big Data:

MAKES IT INNOVATE

About Big Data

Why Big Data

Every few years, a new software platform revolutionizes the software industry (like Mainframes in 1990s, SAP/ Oracle / Java in past few years). Now, Big Data is the next big thing!! Globally there is huge demand for Big Data resources. Big Data market is forecast to grow at a compound annual growth rate of by 58% 2020.

About Big Data Gurukul

Big Data Gurukul is a leading training institute offering specialized training in Big Data technologies, formed by dynamic IT professionals having more than 15 years experience who has been successfully adapting the ever-changing demands in technology in IT industry. Having its presence in US, Big Data Gurukul is able to reconcile with new technologies. We are best positioned to meet all Big Data and Cloud technology needs with backing of pool of trainers with extensive experience and knowledge.

Corporate often have requirement of resources with specific skill sets and with specific proficiency levels. Understanding the need of the company, we train resources as per industry expectations.

Features

- Course curriculum designed as per industry's demand, and is constantly upgraded
- Practical oriented training
- POC on Hadoop technology
- Training by industry professionals
- Exposure on live production environment, in house cluster and on AWS cloud
- Class room and online training

Objective

- Bring awareness amongst the students and professionals about new and evolving technologies
- Match future demands of skilled resources in Bigdata and Cloud technologies.

Courses Conducted

Hadoop Essentials Program

Java/.Net
Database Oracle/MySQL
Unix & Unix shell Scripting
Hadoop
MongoDB
Elastic Search
Hadoop & MongoDB
Elastic Search & MongoDB

Hadoop Advance Program

Hive
Spark
ELK Stack (Elastic, Log & Kibana)

Cloud Computing

AWS
Amazon Web Service, AZZURE

Data Integration

ETL
Talend

Admin Course

Hadoop
MongoDB

Your next step for building bright career

1

Final Year IT / Computer students

- Academic training
- Projects guidance

2

Industry level training

- Learn technology the way industry wants
- Work on Live Project
- Resume Building and Preparation for Interview

3

Advance level of training in emerging technologies

- Bigdata Technology is expected to have huge demand.
- Training on Live Cloud Environment.
- Big data technology is expected to have huge

4

Resume building, preparing for interview

- Get help in building resume for positions available
- Get prepared for interview from industry experts
- Interviews scheduled for you with overseas or local companies

5

CONGRATULATIONS ! For you first job

- Get on job assistance
- Get great opportunities to upgrade knowledge

IT Software and Mobile App Development

Visa & Immigration Services

- IT Consulting and Services - Tesseract Solutions Pvt. Ltd. is a diversified global IT services company backed by professionals with IT experience of more than 12 to 15 years in various levels of software development services and consultancy.
Tesseract Solutions Pvt. Ltd. is reconciling with ever-changing technological landscape and adapting technologies according to the needs of time.
- Immigration Services – We have a dynamic team with over 10+ years of experience in immigration process with corporate. We understand very well what it means to seek immigration in other countries, especially USA.
 - Employment based Immigration visa: H-1B, H-4, L visa, L-2, E-3 Visa, TN/TD, B visa, LCA, PERM, EAD, Labor Certification, F-1/F-2 Student Visa.

Recruitment Division

Pertinence

A leading provider of Talent solutions with a global reach of professionals catering from small business & mid-sized companies to Fortune 500 organizations globally. We are specialize in catering to client requirements in their middle, senior and leadership profiles. Within a short span we have garnered a Domain Consultant strength of 135 clients and 10 plus customer experience.

- We offer personalized HR solutions with dynamic recruitment process for results measured in terms of success and trust which involves :
 - Permanent Hiring
 - Contract To Hire Staffing
 - Sub Contracting
 - Training and Development
- Providing market intelligence and talent scenario for all niche requirements.
- We offer International job placement support to our clients as well. We constantly update our data base that allows us to offer best candidates for the right job, pertaining to client requirements

Introduction

Although started in July 2015, Big Data Gurukul has a vast experience on various technologies in Information Technology. Gurukul has been started by IT industry professionals into IT industry for more than a decade. Founder of Gurukul are reconciling with the ever-changing technological landscape and adapting the technologies according to the needs of time.

Founder Members and Partner's:

Amongst the founder members of Big Data Gurukul, we have:

- **Mr. Swapnil Prabhu**, a complete data geek and open source fan. Having a vast and rich experience in IT industry, is a currently enjoying a tech lead position. Highly innovation, experimenting different data solution using different technologies, trying to achieve perfect big data design.

His technical skills range from Java, MsSQL, Unix, Web Services, Oracle, ETL, Hadoop, MongoDB, Scala, React JS and No-SQL databases.

- **Mr. Deepak Satam**, a technocrat, a solution to all technological problems, has tasted nearly all the flavors of IT technologies has a very strong technical understanding. He has been engaged with companies delivering complex solutions. Started his career as a faculty teaching, then popular technologies like C, C++, Foxpro. He has been in IT industry since a very young age and has vast and rich experience of more than 10 years in IT industry.

His technical skills include from lower level languages like Cobol, clipper, Foxpro, C, C++ to VB6, .Net, Java, Oracle, MsSQL, Angular JS, ETL, MongoDB, Talend and No-SQL databases.

- **Mr. Naveen Ganne**, has a 15+ years experience and his core competency in SAP. He is currently leading implementation to companies in Indonesia and USA.

His core technical skills include, SAP.

- **Mr. Murali Dabbugudi**, has 12+ years of vast and Rich experience in IT industry and his core competency is in SAP. Murali is currently working as Senior Techno-Functional consultant in USA. Implemented SAP to various companies in USA, Europe and India

His Core Technical skills includes: SAP, Automation Anywhere, Win shuttle.

Objective of Big Data Gurukul

Objective of Big Data Gurukul is to bring awareness amongst the youth, aspiring to build career in Information and Technology field. We wish that our country, India is at par with the other nations in IT.

We at Big Data Gurukul

Intend to impart quality training

Ensure that courses curriculum is designed as per the needs of industry and constantly upgrading it.

Ensure that trainings conducted are mostly practical oriented

Faculties

Big Data Gurukul has trainers amongst the partners.

Mr. Swapnil Prabhu: Bigdata, MongoDB, Talend and AWS Cloud training

Mr. Deepak Satam: Java, .Net, MsSQL/Oracle, ETL (Informatica), MongoDB and Talend

Mr Amol Gholap: Java, Mongo DB, Talend, AWS

Training Facilities

Big Data Gurukul has its main training center at Borivali (W) and branch at Ulhasnagar.

Courses Conducted

At Big Data Gurukul following listed are the courses conducted, but we are not limiting to the list we do conduct course as per demand:

Java

MS .Net

MS MVC Architecture

MsSQL/Oracle

Hadoop

Spark

MongoDb

Talend

ETL

Angular JS

MEAN Stack

Android app development

IOS app development

Cloud Technologies

Other Services

Development

Having a sound knowledge and latest information on new technologies, **Big Data Gurukul** is also into **BigData Technology** and **Software Development** consultancy.

- ❖ Currently proposed in response to RFP for Safety Management System for Air Traffic Organization, US based Organization.
- ❖ Development on E-Business Suit of ORACLE Logistic Module
- ❖ Web based business operation software application development.

Recruitment

Connecting opportunity with today's top talent in the market.

We focused on responding to the needs of IT Industry by creating new value, thereby contributing to a brighter and more fulfilling world in which all individuals can live life to the fullest. A world filled with opportunities for people of all generations and in all regions to aspire to even bigger dreams.

In an effort to help achieve every individual in this world, we are committed to offering new opportunities and taking on a greater to meet growing needs while believing in the potential of every individual.

Visa, Immigration & Passport (V.I.P.) Services

Dynamic Team:

Problem solving is what we do! We are knowledgeable and passionate, which makes us the best team.

Experience:

With over 10+ years of immigration experience, we did not only assist others, we also jumped through immigration hoops. We know what it takes and what it means to seek immigration status in the United States, which make us subject matter experts.

Personal Attention:

Your needs are important to us. We know that immigration matters are costly as a whole and that a lot more than money is at stake. We make sure to communicate with you every step of the way and answer all your questions and concerns within 24 hours on business days. Your trust is our most valued reward.

Employment Based Immigration:

Types of Employment Based Visas: H-1B, H-4, L visa, L-2, TN/TD, B visa, LCA, PERM, EAD, Labor Certification, F-1/F-2 Student Visa.

Visas:

B1/B2 Visa, Business Visa, Tourist Visa Asia Pacific and Work Permits.

Passport:

Our expert team will help you to acquire the passport, with the help of the team you can apply for online passport application process.

Our team is well verse with the application process you need to just help with the necessary details and require documents as per Passport requirements.

😊 THANK YOU 😊

Bigdata Gurukul Seminar on Bigdata Hadoop

Title: Bigdata Hadoop (Duration – 2 Hrs)

Topics to be cover:

Sr No.		Particulars
1		Understanding Bigdata
2		Introduction to Hadoop
3		Hadoop Architecture
4		Hadoop Ecosystem
5		Solving the problem with Hadoop
6		Hadoop Project Environment
7		Project Discussion
8		Career Path in Hadoop
9		Scope of the Hadoop
10		Conclusion

Tessreact Solutions Pvt Ltd. B-5, Sheela Apartment, Opp. Ajanta Square, Market Road, Borivali (West).

Session Feedback Form

Dear students,

Apart from imparting curriculum related knowledge to you, we are also trying to enrich you with advanced information and skills through experts who have spent years in laboratories in designing, developing and executing state-of-the-art tools, devices and instruments. We are confident that sessions by these experts will be useful for you. Ultimate objective of the whole learning is to understand the concepts better and be able to apply them in solving problems or in developing products that will solve the problems.

We will appreciate your constructive, honest and positive feedback about these sessions so that we can further improve their quality and make them more useful for next batch of students. Kindly provide your feedback in the format given below. Indicate your response by circling the number against each parameter / question. Also feel free to express your opinion, wherever applicable.

Name of the Speaker : <i>Deepak Kankare</i>	
Topic : <i>Negotiation</i>	
Date of session : <i>09 / 02 / 2018</i>	Day : <i>FRIDAY</i>
Venue : <i>NANA FARNAVIS HALL</i>	Time :

Dear Students,

Greetings from VPM, Thane & me personally!

At the outset, let me congratulate you all on your Grand Success in your final exams with flying colors.

We are proud of you that you have brought laurels to MPCOE with your excellent performance in your Final year.

I am sure, now you must be preparing for your placements in industry and doing your best to achieve more in the race.

Just to help in your efforts, VPM have arranged a mock interview session for you all on 7th October at 10.30 am at the following address:

VPM's Dr. V N Bedekar Institute of Management Studies, 'Jnanadweepa', Chendani Bunder Road, Thane (West) (Management College building)

The venue is just 10 minutes walk from Thane Station. Your names would be informed to the security at the main gate.

I am glad that most of you have registered for Mock Interview which would help you in fine tuning your skills and make you fully prepared for final round in Corporate.

If any body is left out, may please register now as it would be a golden opportunity to prepare yourself for better future. You are most welcome at VPM, Thane.

All are requested to report to Mrs. Deepti Gokhale on 2nd floor at the address given above.

The program schedule is as under:

4/10/2019
