Dear Mr.Teredesai,

Greetings to you from MPCOE, Velneshwar.

Introduction of MPCOE

Vidya Prasarak Mandal (Thane) has a state of the art Engineering college namely VPM's Maharshri Parshuram

College of Engineering at Velneshwar, Tal Guhagar, Dist Ratnagiri. Maharshi Parshuram College of Engineering (MPCOE) has been in the forefront of imparting high quality technical education.MPCOE is an edge ahead engineering college in the Konkan region of Maharashtra.

Further details on college can be availed at www.vpmmpcoe.org

Today, the college conducts Bachelor of Engineering (B.E) program in Electronics & Telecommunication Engineering ,Electrical Engineering , Mechanical Engineering ,Civil Engineering Computer Engineering and Instrumentation Engineering

Academia and Industry interaction

Further to telecon with you by Mr.Satish Ghorpade and myself, we would like to visit Finolex Industries on 7th July 2017. We would like to initiate industry Institute interaction with you.

The Industry-Institute Interaction should be designed to run longer period for preparing the manpower of world class in the field of Engg by inculcating the various skills required by the industry, thereby contributing to the economic and social development at large. Following objectives can be achieved through Industry - Institute interaction.

- Participation of experts from industry in career guidance.
- Arranging visits for both faculties/students to Finolex
- Training and knowledge update through faculty exchange.
- Arranging Engineers from industry to deliver Guest Lectures
- Internship for students.
- Organizing workshops, seminars by Industry Experts.
- Undertaking B.E Projects work with Finolex under joint guidance of the faculty and experts from Finolex

We (Dr.Chincholkar - Principal, Myself - TPO and Mr.Satish Ghorpade - HoD Electrical) would like to explore on the above objectives during visit planned on 7th July 2017. We would like to to discuss above points during meeting planned with G.M - Ratnagiri Plant and yourself. We would take very short time from your (G.M and yourself) busy schedule.

Looking forward for your kind confirmation of the visit planned.

With warm regards

Dear All,

We are glad to invite you for the campus recruitment drive of AIS Glass
on 12th Jan. 2018
at Gharda Foundation's Gharda Institute of Technology.

Venue : GIT ,,Seminar Hall , Lavel Chiplun

Date : 12th Jan. 2018

Reporting time: 9:00 am

Please find below details

Note : This drive is only for Male candidates /Female not allowed

We would like to introduce ourselves as being the largest glass company in India with a turnover of 2400 crore. AIS is transforming itself from being a manufacturer of world-class products to a “Solutions” provider.AIS has the following four operating business units:

- **AIS Automotive Glass**
- **AIS Architectural Glass (Float and Glass Solutions)**
- **AIS Consumer Glass (Auto Services - AIM, AIA & WE and Glass Xpert)**
- **AIS Solar Glass**

We have 5 major plants at the below mentioned locations:

- **Bawal**
- **Taloja**

- **Roorkee**

- **Chennai**

- **Gujarat**

And 12 assembly units across India.

We are exploring the opportunity for Campus Recruitment of **Graduate Engineer Trainee(GET) in the field of Mechanical and Electrical Engineering (and related streams like Instrumentation, Electronics etc).**

We shall be taking them as **GETs**.

- They will be on an operational training for 6 months for which a certificate will be provided. The students will be paid their salary during the period of training as well.

- After evaluating their performance for 6 months, they will be allocated to various departments depending on the vacancy and their interest.

- **The Salary package offered for GET's will be 3 LPA .**

- **The students are also required to give a bank guarantee of 1.5 Lakhs for a period of 2 years (FD in the name of candidate/guardian) according to which if the candidate chooses to leave the company before a period of 2 years then the amount shall get transferred to the company. Otherwise the bond stands nullified upon completion of the said time period.**

Eligibility Criteria-

GETs: Minimum 6

0
% throughout (10th, 12th and Graduation). No Live back paper.

Selection Process:

1. Group Discussion
2. Technical Test

Dear Sir,

Please find the below list of shortlisted students. All your students shortlisted for the online test

4. FAMT - all shortlisted for Product Dev, Web Dev and Cloud Test.

5 RMCET - all shortlisted for Product Dev, Web Dev and Cloud Test.

6 MPCOE Velenshwar - all shortlisted for Product Dev, Web Dev and Cloud Test.

Please share below mail to every shortlisted candidates and ask them to register for the test . Please read all instructions below mentioned before test.

You can conduct test tomorrow on 4th or 5th sept 2017. You can

schedule time as per your convenience.

Hi Sandeep,

Below is the draft mailer for L1L2 Support & Cloud Infra candidates.

We would like to conduct the online Support and Service Test for the shortlisted candidates on _____

Duration
Objective Tests - 1 hour or more - no time limit

Draft Mailer to candidates:

The url for taking the tests is:
http://www2.rsphinx.com/mithi/90f14bfa195f50557afe64c0b190b890696864b8/

The schedule of the test is _____ at _____ pm on _____.

The candidates would require a good internet connection.

Instructions to candidates for taking the test:

1. Starting the Test - You have been provided with a URL. When you click on the URL you will be prompted to create a username/login on the online system, after which you will be able to take the test.

2. You have to create an account with a username/password of your choice.

3. You must give a valid email address and fill in the other information appropriately. Once you click "Register" you will be automatically logged into the system.

Common Problems -

1. Re-starting the test - If you get logged out of the system, either due to an internet connection failure, computer crash, browser hang, or any other problem, you can simply click on the test URL again, and the test will resume from whatever point you had reached previously. - If you are using the same computer/browser then the test will start immediately. -

2. If you move to a different computer/browser, then you should click on the link provided for "Returning Users" at the top of the page. You will then be prompted to log into the system using the username/password that they had created earlier.

3. An IMPORTANT Note On Copying - DO NOT share your program with anybody else. Our system is extremely good at detecting copied answers. If two answers from different users are found to have similarities, BOTH submissions will be disqualified. So you can get disqualified for copying even if you wrote the original answers. - Those who copy try various tricks to confuse our system, including adding removing comments, changing variable names, changing the order of statements. Our program is good at catching all of this. The only safe method is to write the answer yourself, and to make sure that no one else gets a copy of it.

Thanks and Regards
