Department of Civil Engineering

Report on Seminar

Date: 20/02/2020

Name - Seminar on Ready Mix Concrete

Name of Resource Person- Mr. Nitin V. Bapat

Contact details of resource person- Mob –9820210009

Name of Coordinator- Ms. Geetanjali A. Sawant

No. of Students – 68 (T.E. & B.E.)

Venue- A2 – Seminar Hall

Schedule – 18th Feb 2020.

Department of Civil Engineering and Civil Engineering Students Association (CESA) of VPM's Maharshi Parshuram College of Engineering Velneswar, has organized one day seminar on 'Ready Mix Concrete', on 18th February 2020 for B.E. and T.E. civil engineering students. Mr. Nitin V. Bapat was the speaker for seminar. He is currently working as a deputy general manager- (special projects) for ready mix concrete, India, a division of prism cement ltd, Mumbai.

Session was started with introduction by Mr. Safwan Wadkar (Member of CESA) and guest was felicitated by Mr. Tejas Pawar (Chairman of CESA). Mr. Bapat elaborated the ready mix concrete manufacturing process in a very interesting manner. He started his session with the briefing of safety precautions that one has to practice while working on site. Also main difference between site mix and ready mix concrete has explained. He showed some photographs of raw materials and their storage system. The topics like importance of mix design, capacity of concrete plant, different types of concrete mixers and their usage, wrong practices that must be avoided while working at site. The session was very much interactive,

he asked questions to the students and students were also responding very well. Speaker also shared his real life experiences which would be beneficial for the students. Total 68 students from T.E and B.E. were present for the seminar and gave good feedback to the speaker.
