Department of Civil Engineering

Report on CSS Guest lecture series

Date - 07/02/2020

Name - CSS Guest lecture series

Name of Resource Person- Mr. Prafulla Pagnis

Contact details of resource person- Mob – 8975127883

Name of Coordinator- Mr. Venkatesh Taduvai

No. of Students – TE – 40 and BE 41

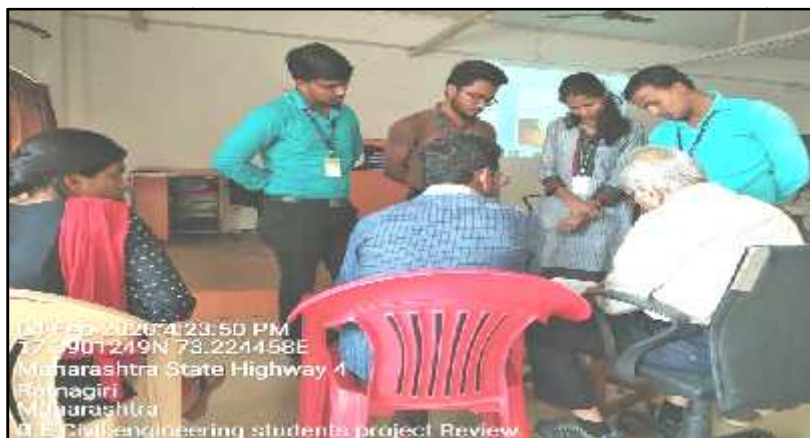

Venue- A2 – Seminar Hall

Schedule - 4th Feb 2020 to 6th Feb 2020

VPM's Maharshi Parshuram college arranged CSS visit on 4th Feb to 6th Feb 2020, on this occasion Mr. Prafulla Pagnis CSS Member of MPCOE visited to deliver a lecture and to guide students on their BE projects.

In engineering program Final year students have to do academic project, in which they have to apply their degree knowledge they gained till now by choosing any experimental or civil related problem, where students can give firm solution and estimation.

Day I That is on 4th Feb 2020 at 4:00pm Mr. Prafulla Pagnis evaluated 5 BE Projects on their, Model Set up and Cube casting. While evaluation, he gave some important suggestions to improve the quality of project and presentation skill of student.

BE Civil Students Presenting about their Project to Mr. Prafulla Pagnis

Day II That is on 5th Feb 2020, Mr. Pagnis delivered lecture on “Advance Construction technique in bridge engineering” to the TE Civil Students between 9:20 am to 11:20 am. Total 38 students attended this lecture. He shared information about the components of bridge, with example of Godavari River Bridge, Bandra Wali Sea Link and information about girder.

Mr. Pagnis Delivering his lecture on Advance Construction Techniques in Bridges

Then after a short break at 11:30 to 1:00 pm he delivered his lecture on “Foundation in Bridges” to the TE Civil Students. Total 42 Students attend this lecture. During lecture he shared information types of foundation like pile foundation, well foundation and after he shared challenges faced during the execution of projects like Chennai Metro Project and Bandra Warli Sea Link and after he responded for different question asked by students.

Mr. Pagnis Delivering his lecture on Foundation in Bridges

After Lunch break again Mr. Prafulla Pagnis evaluated remaining 6 BE Projects on their, Model Set up and Cube casting.

Students Delivering their Project to Mr. Pagnis

Day III That is on 6^h Feb 2020 Mr. Pagnis delivered lecture on “Ports and Harbors” to the TE Civil Students between 9:20 am to 11:20 am. Total 38 students attended this lecture. He shared information about the components of Breakwater, Ports and Harbors and after with a small video he showed how project execution will go on in river or sea. There after he responded for different question raised by students.

Mr. Pagnis Delivering His lecture on Ports and Harbors

After completion of lecture some of TE students have shared their experience regarding three sessions and then Mr. Chetan Rahate has taken feedback of TE students

Students Sharing their feedback about the Guest Lecture
