DEPARTMENT OF CIVIL ENGINEERING

Date: - 04/04/2016

Report of Industrial Visit to “STP and Water Treatment Plant, Kolhapur.”

Department of civil Engineering organized 01 day Industrial Visit on 02 April 2016 to STP and Water Treatment Plant, Kolhapur, Maharashtra.

Under curriculum of Environmental engineering third year students visited to sewage and water treatment plant in Kolhapur district. It helped students to understand how our waste water treated and connection between what is put down the drain and where it goes and also they learned about design and construction of STP. To understand importance of safe water supply, to discuss community health importance of WTP Design of purification plant was also studied.
