## **Department of Civil Engineering**

Date: 18/09/2019

### **Report on CSS member (Mr. Prafulla Pagnis) visit**

Department of civil engineering arranged a guest lecture on 17<sup>th</sup> September 2019, on this occasion Mr. Prafulla Pagnis CSS Member of MPCOE visited to deliver a lecture and guided students.

He shared his America visit experience of bridge construction with faculty of civil Engg. Department. Also he discussed about the different tasks which will helps to improve the confidence in students.

Mr. Pagnis delivered lecture on “Advance Construction technique in bridge engineering” to the TE and SE students. Total 68 students attended this lecture. He shared information about the components of bridge, with example of Godavari River Bridge and information about girder.

Due to NACC Peer team visit at MPCOE schedule is changed as follows.

<b>Sr. No</b>	<b>Time</b>	<b>Topic</b>	<b>Audience</b>	<b>Venue</b>
1	9.30 AM to 1.30 PM	BE project review	BE Civil	BE civil classroom
2	2.30 PM to 5.00 PM	Advance construction techniques in bridge engineering	SE and TE Civil	TE civil classroom

In engineering program Final year students have to do academic project report, in which they have to apply their degree knowledge they gain till now by choosing any experimental or civil related problem based subject/area, where students can give firm solution and estimation.

Mr. Prafulla Pagnis evaluated BE students on their quality of literature review, subject knowledge, presentation skill, body language and eye contact. While evaluation,

scientist gave some important suggestions to improve the quality of project and presentation skill of student.

For this review total 11 group of BE students gave presentation.

Overall both the sessions were very informative to students. Some pictures of this section are given below.
