## **DEPARTMENT OF CIVIL ENGINEERING**

Date: - 29/11/2016

### **Report of Field Visit to “Hedavi, Velneshwar bhati and Pimpar Dam.”**

Department of civil Engineering organized 01 day Geology field Visit on 27 Nov 2016 to Hedavi, Velneshwar bhati, and Pimpar dam.

Engineering geology is important subject for second year civil engineering students. Under this subject head SE civil students visited Velneshwar Bhati and Pimpar dam. According to Mumbai University syllabus, there shall be a visit to get the geological information according to the various contents mentioned in the syllabus. For fulfilling this requirement and to understand concepts on field this visit was organized. This visit was taken under the guidance of Asst. Professor Ms. Komal Shinde. During the visit students studied measurement of strike and dip by using Brunton compass, soil profile, identification of rocks with their properties, younger stage of river in detail and in last they visited to Earthen Dam at Pimpar.
