DEPARTMENT OF CIVIL ENGINEERING

Date: - 11/10/2015

Report of Site Visit to “Koyna Dam, Karad, Maharashtra.”

Department of civil Engineering organized 01 day Site Visit on 09 Oct. 2015 to Koyna Dam, Karad, Maharashtra.

The Koyna dam and its reservoir Shivajinagar Lake are located in the watershed of the Koyna River in the state of Maharashtra. Today the Koyna Hydroelectric project is one of the largest projects in the world. Koyna River is considered as the life of Maharashtra. Here the students studied about general information of dam, spillway, reservoir, drainage gallery, different stages of power station, lake tapping future plan and tourism of Koyna.

Site visit to Koyna Dam
