

## Fundamentals of Reliability

Name of Speaker: Mr. R. K. Saraf

Audience: SE, TE, BE students of Electronics and Telecommunication Engineering

Date: 29<sup>th</sup> & 30<sup>th</sup> August 2018

Mr. R. K. Saraf, a member of CSS from BARC gave the lectures on “Fundamentals of Reliability” on 29<sup>th</sup> & 30<sup>th</sup> August 2018 at the Seminar Hall in Department of Electronics & Telecommunication Engineering. The lecture was focussed on maintaining the reliability of the system as well as components. The topics covered were reliability, maintainability, quality, safety, reliability measurement parameters, system redundancy & component redundancy. Mr. Saraf also guided the students about the post graduate courses available at BARC training school.
