

Television & Video Engineering Laboratory

- **List of Experiments:**

1. To Study Monochrome Television System
2. To Study Color Television System
3. To Study of pattern Generator and analysis of signal on CRO
4. To Study color television & Finding its fault
5. To Measure Aspect Ratio find resolution of HDTV signal

- **List of Equipments:**

1. Monochrome Television kit
2. Pattern generator
3. Color television Kit
4. HDTV Kit
5. Digital Television Kit
6. Monochrome Picture Tube
