- No need for suggestions.. the do their job well
- I would like to suggest that college should have proper dress code. For raising the standards having good campus structure isnt enough for that quality of teaching should be raised. If possible try to discontinuous the unnecessary rules because they are very annoying. College expects payments to be done on time and there are some fines for late comers too, but in case of refunding the money to student, college doesnt show that punctuality. Dont wanna comment about hostel food because it has reached to that pathetic level.
- There should be lectures on financial literacy and development in the fields
- Bus facility is very bad...buses are not cleaned properly.... Bus condition is not good.... , Canteen is not there.....
- Construct the entrance road
- All is good
- Please repair entrance road
- College timing

college timing

canteen should be there in college campus

Provide canteen for students.

Please repair entrance road and please open canteen facility

Start canteen for students

Want ATM machine, and canteen for snacks.....as early as possible....

Video lectures of faculties should be updated on intranet, so that if any lecture is missed or if the concept is not cleared in class we can take help of that videos.

It will be better if the video lectures are uploaded of the syllabus which may not be covered till term end.

Change mess

Need dustbins in collage campus

The college bus having from guhagar to velneshwar, please decrease the amount of that pass to 700, so that it is beneficial to the students which are coming from government bus.

should be improve in teaching techniques

Sufficient time to syllabus completion.

teaching should be improve

the syllabus should cover more about practical knowledge than theorotical knowledge

Teaching should be improve

Need to become little more frank with students.

And faculty should be ready to solve doubts of student in any condition means give first preference to student other than any work.

Thankyou.

should be improve in teaching techniques

the canteen facility should be relevant and it should provide more hygienic food , and teachers should focus on practical knowledge rather than theorotical knowledge

canteen facility should be upgraded

should be improve teaching techniques

laboratories should be advanced and the hostel facilities should provide more comfort . staff should be more qualified and should focus more in practical and they should study linking to which is helpful for carrer

college facilities should be improve

college facility should be improve

Take more practice for each subject

1) ..we have a best canteen ..but it is closed for long ...so we want it back with hygienic food.

2) faculty should not be harsh with students.. ,they even too give respect to students.

3) we have good bus service, but it is quite expensive, so we all need a government bus service because it may be reasonable to all of students.

4) faculty should be fluent in their language to overcome us..

teaching improve

drinking water should be clean every week

give holiday on Saturday

drinking water should be clean by every week

road near entry gate should be made good

Food quality is not satisfied. So, improvement is needed.

Please open canteen

Give facilities of ATM Machines to students in campus

The college's busses are so dirty beyond the imagination. I will suggest to improve much more facility of bus

ATMs and canteens should be provided in college campus

Please provide us a proper Canteen inside the campus so as to avoid going out

PLEASE PROVIDE CANTEEN FACILITY.

Make proper parking space for vehicle in shadow..

Please provide us a proper Canteen inside the campus so as to avoid going out

Dress code for student.. we can't manage our formal shirt pant those are useless while outing ... Kindly register my suggestion..

Nope

Need Parking shade

Please start the canteen again at cafeteria

Not satisfied about professor teaching skills and other visionary things

Please To improve the bus quality ,

I think the the University will have to improvise the other industrial related knowledge activities and many more things that focuses on overall improvement in students and institution.

I think the university should provide modern technology related syllabus to get industrial knowledge.

ATM is required

need Parking shade and allow to wear jeans and t-shirt

Provide training and knowledge about new trends in market.

Placement activity should be held in our campus

Practical approach should be taken into consideration..

I think industry should includes modern technology to get knowledge.

Dressing freedom should be provided,

Dress code should be provided.

Canteen facilities are required for all student

Need campous

Campus interview should be done in our college for placement

1.give support to students not only paper work but also in a money for their extra activity

2.Improve hostel mess facilities

3.gym machines and equipment should be replaced or maintained properly

Students wants cultural activities to make the strong bonds between them. Please allow various festivals to celebrate in our college.

1. Make something reliable and relevant that students can have their own opinions.

2. If the cultural events and sports events are meant for Students then let it be their own perspective.

3. All the time thinking about college welfare is not going to change anything, support the talents and Students efforts whenever they are participating in any events .

4. College has no regards for students talent or their initiative, they only care about college fees and name (fame) .

5. Also the principal and other faculty members only cares about students placement but they never think about the quality that is required to any students to face the placement interviews.

6. Although college is well named but it don't care about any maintenance required for students .

Availability of ATM machine in college & allow veg - nonveg in college mess as well as canteen...

Need to maintain the Road and arrange the sitting arrangement in to the campus

All are good

No..

Improve Mess food quality

Xerox and cafeteria open at least college days in 9:30 to 5:30

Xerox and cafeteria are not open at morning section

Provide ATM facilities for students .

Improve quality of mess

Remove the gate rule because that good for high school level not for degree college

provide canteen for student and also teacher's .

rules are very strict than school and jr.colleges.

ATM in campus

ATM in campus and Vehicle parking..

as consider of department management level of department is very poor. here is not chance for new skill development relevant to recent technology

ATM MACHINE SHOULD BE AVAILABLE IN THE COLLEGE

no suggestions

1)College ground should be constructed in a proper way. its dangerous to play on the college ground, so request the management to look into this. 2) ATM should be installed in the campus.

improve first electrical department they are not providing any improvement facilities for there department students. some faculties are doing politics against good faculties they gets directly affect student development also for there carrier. Collage only looking for their economical profit and provide fake data about placement.

1. provide separate lab facility with all necessary accessories for research.
2. Allow entry in library for student to see and choose the books.
3. Provide good placement facilities.

- 1.Provide separate lab facility with all necessary accessories for research.
- 2.Provide good placement facilities.

1. provide separate lab facility with all necessary accessories for research.
2. Allow entry in library for student to see and choose the books.
3. Provide good placement facilities.
4. Proper dress code.
5. Project lab open up to 8 pm.

Fake data of placements are provided. Misguidance, lack of communication and knowledge from various faculties. No extra co-curriculum activities are encourage and supported. No support is provided neither economically nor technically for any project activity by college.

- 1.Provide separate lab facilities with all necessary accessories for research
- 2.provide good placement facilities .
- 3.cleaning of classrooms, washrooms etc.regularly.

- 1)faculties plays politics within themselves.
- 2)No training & placement is available, it should be availed.
- 3)No skill development.
- 4)For conducting a industrial workshops, the Institute looks their own economical profit & not of the students, and acts as they are doing good things for the students.

ONE ATM MACHINE IN CLG CAMPUS IS REQUIRED

Canteen facilities in college is must

.

Their is no facility of canteen

Add a canteen in College campus
