NPTEL Local Chapter

NPTEL local chapter has been established in the institute in academic year 2018-19. NPTEL means '**National Program on Technology Enhanced Learning**' which includes IIT as well as IISC professor's lecture videos, notes, power point presentations as well as more than 1000 online courses. Students are encouraged to participate in this local chapter. Total 3 sessions have been conducted till date. First session was conducted on 26th September 2018, second session was conducted on 28th September 2018 & third session was on 26th March 2019. NPTEL awareness session was also conducted on 14th January 2019 to motivate students to take maximum participate in it.
