

D-space & Academic calendar

D-space is one unique method of modern teaching-learning is adopted in the institute. Under D-space activity faculty members make their videos, notes and PPTs of respective subject and uploads it on D-space. D-space is available in campus (college intranet), from which student can get data for any Academic subject.

Linking of these D-space materials is done with Academic calendar where students can get data about subject along with their regular day-to-day timetable.
