Review of previous meeting-

Previous meeting was conducted on 19/11/2019
in which, we had discussed about industrial
visit and robotics laboratory, and I had
taken appropriate action for the students need.

Points discussed during the meeting-

1. Some students are needs that backlog subjects classes should be conducted to clear the subject.

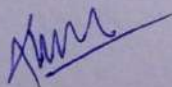

2. Students are asking for seating in the presentations of final year students so that they will get idea about how to give presentation and what kind of project RE students are doing.

Action taken by mentor-

1. Backlog students classes was arranged on Saturdays, so that those students are facing problems so that they will get benefited.

2. All students were present at the time of RE presentation and get idea about RE projects.

Sign of mentor-

Name- Mr. Sushil D. Biset.
